**From Our ENP Officer:**

**In 1143:**

The burglary on 51XX Goodwin-detached garage, unlocked, wife saw car back into their driveway and open shed and steal air compressor. Husband told us there was no air compressor to steal (?)

The theft on 52XX Goodwin was a BMV, side mirror taken.

The theft on 54XX Goodwin was of wicker patio chairs and a table from porch.

The auto theft on 50XX Vickery was of a 02 Nissan SUV

**In 1144:**

The theft 55XX Goodwin was a BMV over a period of 40 days. License plates taken from somewhere (?)

**In 1160:**

The aggravated assault on 30XX N. Henderson probably never happened in VP. Victim had no idea where he was.

The theft on 26XX Glencoe was a BMV. Window smashed, golf clubs taken.

The theft on 28XX N. Henderson was a BMV, laptop taken.

The theft on 52XX Richard was of a bike. The owner ran the suspect down and recovered the bike. The suspect was 62 (?)

The theft on 51XX Willis was a BMV, apt related, GPS taken.

The auto theft on 24XX Homer really wasn't. She *misplaced* her car (?)

**In 1161:**

The burglary on 56XX Willis was of the unlocked, detached shed, bike taken.

The vandalism on 56XX Miller is a recurring problem we are trying to solve. The next door neighbors are quite the party group.

The victim saw one of them urinating in her yard, called the police, and later that night her car window smashed.
